Help Your Career “Take-off” with an Internship at the Jacksonville Aviation Authority!

The Jacksonville Aviation Authority (JAA) is now accepting applications for our **Paid Summer Internship Program**. We offer six weeks of professional experience for college students with disciplines in the following fields:

- Airport Operations
- Business Development
- General Aviation & Spaceport Operations
- Human Resources
- Management
- Marketing
- Planning & Engineering

Internship program dates May 23, 2016 through July 1, 2016

Students interested in internship positions can apply online. They will be posted on the “jobs” tab on our website, flyjacksonville.com. All applications are due by April 21, 2016.
