

Purchase of a Drone

RFQ No. 1905-44202

**Addendum No. 1
November 21, 2018
Questions and Answers**

Questions and Answers:

Q1. Line Item - DJI Matrice 210 RTK - Please confirm the model number, Do you mean RTK-G?

R1. RTK-G, as this should be the only type of Matrice 210 RTK that is sold in the US.

Q2. Line Item - DJI Zenmuse XT2 13mm 640x512 - This is available in either a 9Hz or 30Hz version, please specify which is required.

R2. For the XT2, it's the 30Hz version.

Q3. Please confirm the desired shipping address, which we assume to be FOB.

R3. Cecil Airport, 13365 Simpson Way, Jacksonville, FL 32221

Q4. There is one item, namely the Zenmuse XT2, that has two different variants. The difference between the two is their respective thermal frame rates, either 9Hz or 30Hz. If you or the end-user could specify which thermal frame rate is preferred for the XT2, then I will be able to provide a more realistic pricing on the quote.

R4. The 30Hz version is preferred.

**The Question and Answer Period is now closed.
Bid Due Date is November 26, 2018, 2:00 PM (local time)**
