

**RFQ No. 26-08-42001
Professional Environmental Consultant Services**

**Release Date: April 9, 2026
Addendum No. 02**

Submitted Questions and Responses

Question #1. What is the best way to submit Section 5: References? Should it be emailed, submitted along with the other tabs on Demandstar, or both?

Response: The Reference Form should be sent by the person/firm who is submitting the reference, and the form should be e-mailed directly to procurement-bids@flyjacksonville.com with the RFQ No. 26-08-42001 in the subject line. These do not need to be included in your Statement of Qualifications.

Question #2. Just for clarification, is a respondent able to submit for either wildlife services or wetlands service, even though they are paired as one category? For example, is a respondent able to submit for only wetlands services and not wildlife services if they do not have an FAA-Qualified Airport Wildlife Biologist on staff?

Response: No, the Wildlife and Wetlands Service is one category.

The Question and Answer period is closed.

Proposal Due Date is Monday, April 20, 2026 at 2:00 PM (EST).
