

JAXEX Advisory Committee Meeting Summary

When: April 14, 2015

Time: 9:00 AM

Where: JAXEX Executive Conference Room

Committee Members and Attendees: List available upon request.

Tiffany Gillem, JAXEX Airport Manager, began the meeting with opening comments followed by self introductions.

Ms. Gillem introduced Debbie Jones, JAA Community Relations Administrator, who gave a Jacksonville Aviation Authority (JAA) system update.

- Silver Airways began new nonstop service to Pensacola at Jacksonville International Airport. Flights are once daily, Monday through Friday.
- The navy will conduct a press conference on April 21st regarding the move from NAS JAX to Cecil Airport.

Ms. Gillem provided the following JAXEX update:

- Operations for March were 11,006, which is an increase over March 2014.
- A reforestation plan is being created for those areas where trees were harvested.
- JAA is validating the tree obstructions that have been removed thus far.
- The airport's landscaping project at the intersection of St. Johns Bluff and Monument Road is complete.
- Highlights from Councilman Cresimbeni's Blight Committee presentation to the Greater Arlington Beaches CPAC meeting was shared with the attendees.
- Community outreach activities include:
 - Jacksonville Business Journal conducted a photo shoot at JAXEX for their 40 under 40 edition.
 - The South Chamber Council is hosting an event at Malone AirCharter's facility, which includes a tour of both Malone's and Generation in Aviation's hangars.
 - JAXEX is a sponsor of the Safety Fair event to be held on Saturday, April 18th at Regency Square Mall.
 - Sterling Flight Training is having an open house on April 18th celebrating the flight school's anniversary and new partnership with Liberty University.
 - Snoopy One blimp will be visiting JAXEX for THE PLAYERS Championship.
- JAA's FY16 capital budget process is underway.
- The former Mosquito Control hangar is available for lease.
- JAA is working with Arlington Toyota on leasing airport property while they undergo facility renovations.
- The RV storage facility is looking to expand at JAXEX.
- JAA in the process of producing a JAXEX airport video.
- Airport staff is working with the fire department to conduct JAXEX familiarization training.

Committee Member Updates:

- Patrick Clyne mentioned his condo group was in the process of doing some taxiway repair work.
- Marshall Wood spoke on his vision of JAXEX and its positive impact on Jacksonville. He also provided some additional details about the April 18th open house event.

The next JAXEX Advisory Committee meeting will be May 12th at 9:00 AM. Karen Nasrallah, Redevelopment Manager, Office of Economic Development, will be the guest speaker.

Respectively Submitted,
Alberta Hipps
